

POPPCon THE POWER OF PARTNERSHIPS & PATHWAYS

SAN DIEGO, CALIFORNIA

Illuminated Collective
in partnership with ConnectED: the National
Center for College and Career is proud to
invite you to come learn with us at our
unconventional conference.

PoPPCon is an experiential showcase
of college and career pathways
supported by industry,
post-secondary, and
community-to-school
partnerships.

SELECT YOUR DEEP DIVE

DUAL ENROLLMENT PARTNERSHIPS

Visit a local community college that hosts a middle college to broaden your understanding of dual enrollment possibilities, and examine the systems and structures necessary to build strong partnerships that produce amazing results.

ENVISION, CREATE, INSPIRE: THE ELECTRIFYING POWER OF THE CREATIVE ECONOMY

Examine the impact of arts education pathways that create dynamic school communities and contribute to our creative economy while exploring the alignment of the arts to the World Economic Forum Employability Skills for 2025.

PROJECT BASED LEARNING AND THE COMPENDIUM

Actively engage project based learning teams in the process of designing/building a grade level team compendium that will support integrated projects across a semester and/or year.

WORK-BASED LEARNING AND POWERFUL PARTNERSHIPS

Participate in conversations and hands on learning with local business/industry leaders who have built powerful work-based learning partnerships with local schools.

SECONDARY SITE VISITS: KEARNY HIGH, HEALTH SCIENCES HIGH AND MIDDLE SCHOOLS

Visit the four autonomous thematic pathways at Kearny High School in the morning and the high school/middle school pathways at Health Sciences High in the afternoon.

ELEMENTARY STRAND: TK-5 STEAM ELEMENTARY SCHOOL VISIT

Engage with a TK-5 STEAM architect who will share open source resources and visit an elementary school implementing TK-5 STEAM aligned to Next Generation Science Standards.
